A. SUMMARY OF THE PROJECT The **EcoMustahan (Episode 1)** is a casual virtual assembly organized by the **PLSP Economics Society – EcoS t**hat aims to provide an open space for BS Economics students to share their experiences, challenges, and insights about student life. The session will also serve as an avenue to discuss the organization's upcoming projects, future opportunities, and ways to support academic and personal growth. Through this interactive and lighthearted discussion, EcoS hopes to motivate its members, strengthen camaraderie, and foster a sense of belonging within the community.

B. PROJECT GOAL AND OBJECTIVES

Goal:
To create a welcoming online platform that encourages open conversation, motivation, and collaboration among BS Economics students while strengthening the unity and purpose of the PLSP Economics Society.

Objectives:

1. To provide a venue for students to freely share experiences and reflections about their academic journey.
2. To discuss future EcoS activities, opportunities, and organizational goals.
3. To inspire members through motivational insights from officers, alumni, or invited guests.
4. To promote mental wellness and positivity among students through casual yet meaningful dialogue.
5. To strengthen the bond and communication between officers, members, and advisers of the organization.

C. EXPECTED OUTPUTS

- A well-attended and engaging online session with active student participation.
- Enhanced morale, motivation, and sense of connection among BS Economics students.
- Clear dissemination of upcoming EcoS plans and opportunities for involvement.
- Strengthened camaraderie and collaboration within the organization.
- Event documentation and evaluation report for OSAS records and future planning.

V. Monitoring and Evaluation
Monitoring: • Officers and assigned committee heads will oversee event, technical setup, and overall session flow. • Registration links and meeting attendance logs will be used to record the number of participants. • Hosts and moderators will handle participant management, transitions, and interaction in the chat and discussion. • Screenshots, short clips, and evaluation summaries will be compiled for post-event reporting and publicity. **Evaluation Strategy** • A digital feedback form will be provided after the session to assess participants' satisfaction and gather suggestions. • A post-activity report, including attendance, documentation, and feedback results to submission.

V. Security Plan
• The session will be hosted via **Google Meet or Zoom**, with meeting links shared only with verified BS Economics students. • **Waiting room and admission controls** will be activated to prevent unauthorized access. • Only the host and designated co-hosts will have screen-sharing and moderation permissions. • Participants are expected to maintain professionalism, respect, and positive interactionn throughout the session. • Any disruptive or inappropriate behavior will result in immediate removal from the meeting. • In case of technical issues or emergencies, a backup communication channel (e.g., Messenger group chat) will be used to coordinate participants.

We are looking forward to your kind approval.

Sincerely,

Dave Mathew H. Malabonga
